Revision: 26.03.2019

Trade name: Nullifire FF197 (Contd. of page 3) Under certain fire conditions, traces of other toxic gases cannot be excluded, e.g.: Hydrogen cyanide (HCN) 5.3 Advice for firefighters · Protective equipment: Wear self-contained respiratory protective device. SECTION 6: Accidental release measures · 6.1 Personal precautions, protective equipment and emergency procedures Wear protective equipment. Keep unprotected persons away. Avoid contact with the eyes and skin. Ensure adequate ventilation. 6.2 Environmental precautions: Do not allow to enter sewers/ surface or ground water. · 6.3 Methods and material for containment and cleaning up: Dispose of contaminated material as waste according to Section 13. Ensure adequate ventilation. Do not flush with water or aqueous cleansing agents 6.4 Reference to other sections See Section 7 for information on safe handling. See Section 8 for information on personal protection equipment. See Section 13 for disposal information. **SECTION 7: Handling and storage** · 7.1 Precautions for safe handling Ensure good ventilation/exhaustion at the workplace. Open and handle receptacle with care. Avoid contact with the eyes and skin. Do not breathe vapour. Wear suitable protective clothing and gloves. Keep away from sources of ignition - No smoking. Information about fire - and explosion protection: Do not spray onto a naked flame or any incandescent material. Protect against electrostatic charges. Pressurised container: protect from sunlight and do not expose to temperatures exceeding 50°C, i.e. electric lights. Do not pierce or burn, even after use. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. The usual precautionary measures are to be adhered to when handling chemicals. · 7.2 Conditions for safe storage, including any incompatibilities · Storage: Requirements to be met by storerooms and receptacles: Observe official regulations on storing packagings with pressurised containers. Information about storage in one common storage facility: Store away from water. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Further information about storage conditions: Store in cool, dry conditions in well sealed receptacles. Protect from heat and direct sunlight. · 7.3 Specific end use(s) No further relevant information available.
